**Casimir School Seeks Kindergarten Names**

The names of children who will enter kindergarten at Casimir Elementary School, 17220 Casimir Ave., are being sought by school authorities in planning for next fall.

Kindergartners must be five before next Dec. 2 and proof of birthdate is required. Parents may contact the school.

**Airport Day Re-scheduled On Sept. 6**

Torrance's Airport Day has been officially rescheduled for Saturday, Sept. 6, according to Chairman J. D. Thomas of the sponsoring Torrance Chamber of Commerce.

Thomas, plant superintendent of Douglas Aircraft's Torrance plant, said the decision was made at a meeting of all

committee chairmen. It was also decided at the meeting to hold a handicap air race for private pilots, probably between Torrance and Palm Springs.

As announced last week, the change of date was necessitated by the long period of rainy weather which seriously hampered airport developments.

Committee chairmen include airport facilities, William J. Critchfield, assistant airport manager and Bill Everett (co-chairman); air events, Joe Doss and Johnny Johnson (co-chairmen); civic luncheon, Capt.

Daniel T. Mahoney; decorations, Thomas Abrams, president of the Airport Commission; displays, Robert W. Morris; entertainment, James Van Dyck, Torrance Area Youth Band; public relations, SFC David L. Stanley, and Ted Carroll (co-chairman); transportation, Marshall Chamberlain; sound system, H. B. Morgan.

**WORLD POPULATION**  
World population has grown from an increase of 20 million a year in 1935 to about 40 million a year, according to United Nations estimates.

Dr. Allen L. Pyeatt, Torrance optometrist and member of the Los Angeles County Optometric Assn., participated in the Pasadena Visual Training Forum held this past week end in the Pasadena Athletic Club.

**Dow Executive's Service Honored**

H. O. "Foxy" Fox, an employee of Dow Chemical Co. for 35 years, was honored recently for his service to the company. Fox joined Dow in 1923 and transferred to Southern California in 1933. He has held positions at Dow plants at Seal Beach, at the government styrene plant during the war years, and is currently at the Torrance polystyrene plant. Employees of the company were honored at the same time for an outstanding safety performance during 1957. A letter from Ned H. Dearboard, president of the National Safety Council, cited the company's operation during a two year period without a lost time accident.

Plant Manager Daniel W. Ryan announced the citation and added his congratulations to the employees during a banquet recently.
